

THE SDA SLICE

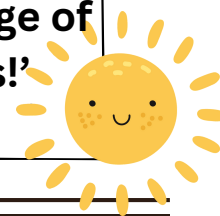

Our 8th Grade class came back last Sunday from their 10-day educational class trip in Seoul, South Korea. Thank you, again, to all who have supported their fundraisers. You have helped make this trip possible.

Bible Verse

“His master replied, ‘Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master’s happiness!’

Matthew 25:21, NIV

Kindergarten students doing different kinds of activities: footprint Bible verse activity, stretching before going to P.E., and sorting activity using their favorite hats.

1st and 2nd Grade students playing ball passing relay and noodle tag during their Physical Education class.

The 3rd and 4th Grade students got a visit from Mr. Ray Aldan with his baby doves and they were able to learn fun facts about birds from his experience.

The 7th and 8th Grade students are brainstorming on putting up a Healthy Lunch Menu for their Health Nutrition on Friday, April 19, 2024.

The 5th and 6th Grade students had a field trip at the District Court to learn more about the judiciary and interact with the Judges and Marshalls.

Here are some class pictures of the CDC Students doing different kinds of activities. From left to right: the Toddlers during story time; the Preschool class during outside play at the playground; and the Pre-Kindergarten class are painting their story of the week, "Ruth and Naomi".
